Members may reserve hunting and lodge facilities for themselves and their guests; at least one member must be present with each party.

### BIRD HUNTING

**Pheasant** hunting is available from September 1 to April 1 (subject to bird availability). Add \$.50/mo. to above bird prices after January 1. Members will be charged for all birds released. We have the highest quality guides and dogs available for your pheasant hunt at \$50 per half day (minimum). Scratch hunting for pheasants at \$12/bird (with your own dog) is subject to availability. Scenic **duck** hunting is available at \$50 per person per day, which includes rustic duck blinds, boats and decoys.

### SPORTING CLAYS

Sporting Clay shooting is available for members throughout the hunting and shooting seasons at \$22.00 per round of 50 (tax included).

### LODGING AND SPECIAL SERVICES

Deluxe lodging accommodations are available at \$49.95 per person per day. We book only one party in the lodge at a time, so we reserve for a **minimum party of 6 for at least 2 nights** during the hunting season (September - April). The lodge has 8 sleeping areas with 4 single beds and 14 double beds. Special arrangements for meetings or large groups, or special services such as catered meals, are available. Please ask us for prices and menus.
